~~~~~

1. when you open the door for you to walk in and people walk in right in front of you.
2. when you put leftover food in the fridge for you to eat later, and when you look in it later, it is completely gone. and, even better, they didn't even wash the dish.

## Chapter 2 by Lex

Whenever you wash the dishes and you're just about to finish and someone piles in more dishes and goes "Oh, sorry"

When you try to drive forward, you are blocked by the car in front of you. If you cut in front of the car, you are blocking the car from going forward. This typically happens when you are late to get somewhere.
